I have a previous existing evaluation from a NACES accredited credential evaluation company. I am seeking acceptance of this evaluation for admission to Jefferson State Community College, in exception to the policy requiring Catalog Matching from the required company as stated in the Jeff State Catalog and Admission Policy for college/university transfer credits.

Please initial all the sections below.

\_\_\_\_\_ I am not seeking any transfer credit for the International credits I have.

\_\_\_\_\_ At a later date I decide to seek transfer credits, I agree to do a full "Catalog Match" evaluation with the approved company required by Jefferson State
